**Battleship USS Missouri**

The U.S.S. Missouri, one of the greatest and most powerful warships, became famous when the Japanese peace treaty was signed. The Missouri was the last of 4 Iowa-class warships, which had an Ideal combination of fire power and high speed and made his maiden voyage in June 1944. Active service of the Missouri started with Iowa-Jima landing in February 1945, and ended with the war in September.
