The 1957 Chevrolet is one of the most popular and widely recognized cars in history, and a true American classic. The '57 Bel Air two door hardtop is one of the most desirable of the many '57 Chevy body styles, especially if it is equipped with a factory fuel-injected engine. Chevrolet's legendary small block V-8 grew to 283 cubic inches for 1957, and the fuel-injected versions were among the first American engines to generate one horsepower per cubic inch of engine displacement. With its great looks and easily hot rodded V-8 engine, the '57 Bel Air was, and still is, a hot rodder’s and customizer’s dream.

Your Revell Wheels of Fire kit features easy snap and screw together assembly, chrome plated parts, a stock or lowered ride height option, and colorful stick-on graphics. Enjoy building your All-American classic!

Step 15

Sticker Placement Guide

Parts Included

PLACE STICKER #22 ON YOUR “ADVENTURES BUILT” COLLECTOR POSTER.
YOU CAN PUT STICKER #23 ON A BACKPACK, A NOTEBOOK OR WHEREVER YOU WANT!

NOTE:
When applying stickers, avoid touching the "sticky" side to prevent finger prints on stickers. Bend sticker sheet slightly to lift edge of sticker & use a fingernail to lift sticker from sheet. Align sticker on body and press an edge into place, slowly working sticker with a fingernail until sticker is fully on model.

REMARQUE:
Pendant l’application des autocollants, évitez de toucher à la face collante de manière à ne pas laisser d’empreintes. Passez légèrement la feuille d’autocollants pour relever le bord d’un autocollant et le détacher de la feuille avec le bout d’un ongle. Alignez l’autocollant sur la carrosserie, appuyez pour coller un de ses bords, et continuez de l’appliquer lentement en utilisant un ongle jusqu’à ce qu’il soit complètement collé sur le modèle réduit.

ANY UNUSED STICKERS MAY BE DISCARDED

READ BEFORE YOU BEGIN

CLEAR A SPACE TO WORK ON
 STUDY THE ASSEMBLY DRAWINGS BEFORE YOU BEGIN
 EACH PLASTIC PART IS IDENTIFIED BY A PART NUMBER
 DO NOT OVER TIGHTEN SCREWS
 SEE NOTE ABOUT APPLYING STICKERS IN STEP #15
