Having led the most laps in the 2006 Daytona 500, Dale Earnhardt Jr, the 32 year old son of seven-time Nascar Cup champion Dale Earnhardt, is the most popular driver in Nascar's Nextel Cup stock car series. The third generation of a famous racing family, he led 32 of the 203 lap event and ran in the top ten throughout most of the race. Your kit has a new for ’06 Monte Carlo stock car body with pre-painted window trim, a detailed driver figure with authentic Budweiser sponsor decals. Authentic racing engine, suspension, dashboard electronics and driver safety nets round out a great model.

This paint guide is provided to complete this kit as shown on the box.
